Dear Sir/Madam,

This letter shall serve as confirmation that the contractor, Aarc West, has received training on 3M firestopping, qualifying them as a 3M Master Contractor.

The 3M Master Contractor title is a special designation for those that demonstrate significant experience with 3M firestopping; it is considered equivalent to similar programs offered by other firestop manufacturers.

Please contact the undersigned if you have additional questions.

Thank you,

A handwritten signature in blue ink, appearing to read 'Bethany Turowec'.
